The fund is a managed portfolio. Portfolio holdings, sector allocation and geographical allocation are current as of the period and may change based on the activity of the portfolio managers.

Past performance is no guarantee of future results. Market volatility can significantly impact short-term performance. For up-to-date performance information, visit our website www.cabei-ca-fund.com. Investment return and principal value will fluctuate so that an investor's shares may be worth more or less than their original cost when redeemed. Total return figures do not reflect the impact of any applicable sales charges.

Risks: Foreign investing involves certain risks, including currency fluctuations and controls, restrictions on foreign investments, less governmental supervision and regulation, less liquidity and the potential for market volatility and political instability. Risks may be magnified when investing in emerging markets.

Eligible Investors: The Fund is not available to citizens of the United States of America or the Republic of Ireland. The Fund is domiciled in the Republic of Ireland and is available only to investors who are permitted or qualified under the jurisdictions to which he/she is subject.
